

D5 - Example Document

NOTE:

This document provides you with an example of how documents are attached to various parts of the manixa intranet server.

If you require assistance in developing the content of your process descriptions, activities, procedures, work instructions and forms go to "support" in www.bestpracticelab.com.

Attached file formats supported by manixa include:

**Microsoft Word (doc)
Microsoft Excel (xls)
Microsoft Powerpoint (ppt)
MSProject (mpp)
Text (txt, rtf, html)
Images (gif, jpeg, png, tiff)
Adobe Acrobat (pdf)**

and more.....
